

Frequently Asked Questions

Annual Reviews and the Public Health Emergency

What is the public health emergency (PHE) and how does it affect members?

At the beginning of the COVID-19 pandemic, the federal government declared a public health emergency (PHE). During this time, state Medicaid programs were required to keep Medicaid coverage for all members, even if their eligibility changed. This means all Healthy Connections Medicaid members kept their health coverage during the PHE. The federal government directed state Medicaid agencies to restart the standard annual review process. South Carolina's restarted April 1, 2023.

When will Healthy Connections Medicaid resume annual reviews?

SCDHHS restarted its standard annual eligibility review process April 1, 2023.

What will happen when Medicaid resumes the standard annual review process?

We will first try to renew your Medicaid with info already available, such as electronic data about your current pay or other eligibility requirements. If we can confirm eligibility, you will simply receive a "continuation of benefits" notice. This means your Medicaid will extend another year. If we cannot verify your eligibility, we will send you a form to complete and return.

If we need to send you a review form, we will notify you via mail and text message (if a mobile phone number is on file) so you can prepare. Once you receive your form, you will need to complete and return it. The date it is due will be included in the mail we send you. If the due date has passed, return the form anyway. You may still be covered. If you do not return the form, you may lose your Medicaid coverage.

You can return the form in one of the ways listed below.

- Complete the form online at apply.scdhhs.gov.
- Visit apply.scdhhs.gov and use the [document upload tool](#).
- Mail the annual review form to SCDHHS Central Mail, P.O. Box 100101, Columbia, SC 29202.
- Email it to 8888201204@fax.scdhhs.gov.
- Fax it to (888) 820-1204.
- Drop it off at your [local eligibility office](#).

Once we receive your form, your coverage will continue while your case is reviewed. When we finish, you will receive a notice with a decision.

How will I know when it is time to complete an annual review form?

SCDHHS will notify its members when their form is going to be mailed. The first group of members were mailed a review form April 1. We will review groups of cases each month for the next 12 months. When we are ready to process your annual review form, we will first try to renew your Medicaid with info already available, such as electronic data about your current pay, or other eligibility requirements. If we can confirm eligibility, you will simply receive a "continuation of benefits" notice. This means your Medicaid will extend another year. You will not receive an annual review form.
