

South Carolina Birth Outcomes Initiative

About SCBOI

The South Carolina Birth Outcomes Initiative (SCBOI) launched in July 2011 to improve the health outcomes of moms and babies in South Carolina. This multi-stakeholder collaborative has been successful in making our state a national leader in birth outcomes through the participation and support of the community.

We invite you to come participate in our monthly SCBOI meetings. All meetings are held virtually the second Wednesday of each month from 9:30-11:45 a.m.

For more information, email SCBOI@scdhhs.gov or go online to www.scdhhs.gov/boi.
