SCDHHS shall maintain a system for collecting, managing, analyzing, and reporting statewide data regarding the current operational status of the various components of IDEA/Part C.

- Data will be publicly reported in a manner that does not disclose personally identifiable or protected health information.
- All Intake Coordinators, Service Coordinators and Early Intervention Service (EIS) providers are responsible for accurate and timely data collection and entry into the IDEA/Part C data system.
- IDEA/Part C shall provide data each year to the U.S. Department of Education, Office of Special Education Programs, and the public on state performance results for families and children and compliance with Part C regulations. SCDHHS maintains procedures for data reporting responsibilities of Intake Coordinators, Service Coordinators, and EIS providers.
