Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year) :

CAA received the funding in December 2024. The City of Anderson Regulatory Delay for request to move entire project over 5' to the west and continued SCDOT delay for approval of exit discharge delayed our project. Approvals for both were made by both agencies within the past couple of weeks. The Project Site has now been staked and grading will commence promptly.

Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
